The top sanitation truck drivers in the mid-Atlantic area converged on Pen Arygl, Pennsylvania for the regional finals of the [SWANA](#) Trash Collectors Road-E-O. And [the results have been posted](#) [pdf]. [Only A Game](#)'s Ron Schachter [reports](#) [mp3]. (Despite the wackiness, the competition does highlight skills that all truck drivers need to master in order to complete their rounds.)

And there's plenty of beeping.
