

Things I've written that have amused other people: Episode 6

 devblogs.microsoft.com/oldnewthing/20091208-00

December 8, 2009

Raymond Chen

On an internal discussion group, somebody decided to quote one of my blog entries. Jim Medding was amused by my response: Bloggers are just idiots with a Web site.

(My blog was dug up in order to refute a claim, even though the blog entry applied to a situation different from the one under discussion.)
