August 5, 2010

Raymond Chen

As part of a new phase in Microsoft's continuing recycling efforts, the recycling program got a new motto. The new motto was not announced with any fanfare. Rather, any recycling-related announcement had the new motto at the top as part of the letterhead. The new motto: *It Takes You*. I had trouble parsing this at first. To me, it sounded like the punch line to a Yakov Smirnoff joke.

Episode 1.
